For more than 60 years, Northeast Sales Associates (NESA) has prided itself on delivering superb customer satisfaction to the heating and plumbing industry. NESA believes in continuous improvement through ongoing investment in technology, personnel, and facilities. We represent leading manufacturers in the plumbing and heating industry. We actively cover the Upstate New York Marketing Area which often includes Orange and Putnam Counties but would generally exclude: Rockland, Westchester, Bronx, New York, Richmond, Kings, Queens, Nassau, and Suffolk counties.
