

INTRODUCING STAINLESS STEEL PEX CRIMP FITTINGS

- Boshart is FIRST to the market to offer FULL stainless steel PEX fittings
- Premium quality and durability
- Stainless is corrosion resistant and more durable than brass and poly
- Ideal for areas with high acidity and anywhere with less-than-ideal water quality including rural areas
- Suitable for any PEX application
- Worry free with Piece of mind warranty
- Up to 17.6% greater flow area for less restriction and better flow in your PEX pipe installation
